## **St Peter's Scarecrow Hunt, 8<sup>th</sup> – 14<sup>th</sup> April**

You should by now be aware of our second exciting Scarecrow Hunt, profits from which will support our Community Hub Project. This is a holiday time activity suitable for children of primary school age (and of course accompanying adults!) Maps will be on sale for £2.50 from Cafe 46 and Discoveries from Monday 8<sup>th</sup> April until Saturday 13<sup>th</sup> April. Scarecrows will be displayed around the town for children to find until Sunday 14<sup>th</sup> April. Completed maps can then be exchanged in the shops for a prize. We also need some assistance, please - if you are able to commit just two hours of your time to help sell maps and distribute prizes in the Café between 8th and 13th April, you can now add your name to a volunteers rota at Church services.

## **Church Life Annual Report**

A reminder that all St Peter's groups have been invited to contribute a review of their highlights and activities for 2018 which will then become part of the document produced for the Annual Church Meeting and ongoing use throughout the year. Thank you to those groups who have already sent in their contributions – but this is a reminder that there are still quite a few who have yet to submit. Please send your review to Mark in the Parish Office by Sunday 24<sup>th</sup> March at the latest. Thank you.

## **Date for the diary – Wednesday 29<sup>th</sup> May**

A fantastic opportunity to invite friends along to hear the story of Neil Obbard and the impact God has had in his life.

Neil Obbard is an engaging keynote speaker, who shares his gripping life-changing story with a wide range of audiences across the world. The good news is that he is coming to Yateley in May, and would like to share his story with as many of us as possible.

We are planning an evening event and more details will follow. Staff Sergeant Neil Obbard of the Adjutant General's Corps had an extraordinary military career, having been deployed to Northern Ireland, Bosnia, Kosovo and Iraq. Neil became an expert sniper who was engaged in special operations combat missions. He served a vital and enduring role on the battlefield, in terms of intelligence-gathering, target identification and eliminating high-value targets. He was also attached to the SAS in a supporting role for combat missions at various times.

It was during his time in the armed forces that Neil gave his life to Christ through the ministry of several folks from St Peter's at the MU AFIA holiday. Today, Neil's ministry focus is on sharing the Gospel and equipping Christians to share their faith.
